

**METRO RAIL TRAIN SERVICES RUNNING WITHOUT TRAFFIC JAMS**

Metrorail Gauteng, a division of Prasa, commenced with transporting valid 2010 FIFA Soccer World Cup ticket holders to Soccer City where they arrived approximately 1 and half to two hours prior to the official 2010 FIFA Soccer World Cup opening ceremony and the start of the game.

Passengers boarded Metrorail trains at either Johannesburg Park Station (CBD, Westrand, East rand, Sandton) or Pretoria Station (Pretoria North and other surrounding areas) and arrived at Nasrec Station, one of our refurbished stations, on time. From Nasrec Station, passengers were able to walk directly to Soccer City which is approximately five minutes from Nasrec Station. Passengers were able to avoid traffic jams by opting to use Metrorail trains instead of cars.

Match ticket holders are therefore advised to visit [www.prasa.com](http://www.prasa.com) or call the Metrorail Customer Care line on 0800 12 7070 to avoid sitting in a traffic jam. Metrorail services will continue to run for the duration of the 2010 FIFA Soccer World Cup for passenger convenience and as part of the transportation modes identified to carry people to the games.
